SELLER'S PERSONAL NOTE

Seller's Personal Note

This Focus genuinely impressed me. A 2015 Titanium — top trim — that comes with a fresh independent condition report rated EXCELLENT, a timing belt replaced on schedule at 134,159 km, and just serviced the day before listing. The heated windscreen alone saves you 5 minutes every Finnish winter morning. No warning lights, no cracks, no surprises. I don't come across many cars at this age and mileage in this state of documentation. If you want a car you can trust without second-guessing, this is the one.
